Mr. Young manages Conway Mackenzie's Energy Advisory Services practice. Prior to joining the firm, Mr. Young served as a Principal in the Interim Management and Corporate Restructuring Practice of a national restructuring firm. He has provided a full range of restructuring advisory services including interim management and debtor advisory, secured lender advisory, litigation support, and debt restructuring and refinancing.

Mr. Young currently serves as Chief Restructuring Officer (“CRO”) of Saratoga Resources and also recently served as CRO of Buccaneer Energy, GoFrac LLC, Surefire Industries USA, Chief Operations Manager of Stryker Energy, and Chief Executive Officer of Par Petroleum Corporation. Mr. Young’s recent casework also includes serving as CRO and Chief Financial Officer to Delta Petroleum and CRO to Marcus Oil in connection with the companies’ respective Chapter 11 bankruptcies. Mr. Young’s additional bankruptcy experience includes:

- Green Field Energy Services
- GMX Resources
- ERG Intermediate Holdings
- Bigler LP
- Tri-Valley Corp
- TriDimension Energy
- American Eagle Energy
- Pacific Lumber / Scotia Pacific
- Winn-Dixie Stores
- Lack’s Stores, Inc.

Mr. Young earned a Master of Business Administration and a Bachelor of Business Administration degree from Baylor University. His credentials also include:

- Certified Public Accountant (CPA, Texas)
- Certified Turnaround Professional (CTP)
- Certified Insolvency and Restructuring Advisor (CIRA)
- Certified in Financial Forensics (CFF) by the AICPA

Mr. Young currently serves on the Global Board of Trustees of the Turnaround Management Association (“TMA”) and on the National Certification Oversight Committee, the governing body of the TMA’s Certified Turnaround Professional program. He also serves on the Board of Directors of the Houston Arboretum and Nature Center, Board of Directors of the Friends of West University Place Parks Fund, Inc. and is an active member of the Center for Houston’s Future.
