

Callie Hamilton

Callie Hamilton is a Managing Director in PGIM Private Capital's Real Asset Energy group, located in Dallas. She oversees all privately underwritten energy related debt and equity investments globally with assets under management of ~\$10 billion. The group focuses on direct senior, mezzanine, and equity investments in companies and management teams operating across the energy value chain, with an emphasis on upstream oil and gas E&P and midstream/energy infrastructure.

Education

BS and MS from Texas A&M University; Chartered Financial Analyst® designation
