Marlene Motyka is the U.S. Alternative Energy Leader for Deloitte and a principal in the Deloitte Advisory practice of Deloitte Transactions and Business Analytics LLP. In her role as Deloitte's Alternative Energy Leader she steers Deloitte's overall delivery of a broad range of cross-spectrum professional services – from tax related issues, M&A and financing activities, business strategy, valuation, accounting to technology integration and operational consulting as well as human capital offerings – to alternative energy companies, and those who invest in alternative energy.

For over nineteen years, Ms. Motyka has supervised and performed financial analyses and valuations of electric generating projects, renewable energy projects, gas, electric and district heat transmission and distribution networks, and intangible assets. These assignments have been performed for mergers and acquisitions, purchase price allocations, financial reporting, freshstart accounting, taxation, sale/leaseback, project financing, financial modeling and management information purposes.

She has an MBA in Finance from Rutgers University and a BS in Mechanical Engineering from Lehigh University.
