**Professional  
Highlights**

Ted's expertise is developing solutions in complex corporate turnarounds and restructurings for under performing companies. He has served as advisor to senior management and boards of directors, guiding them through restructuring negotiations and developing comprehensive turnaround strategies, including organizational change, capacity rationalization and divestitures. He provides interim management to companies requiring experience in defining and implementing turnaround programs.

Ted has worked with numerous retail and consumer products acting as a financial and operations advisor as well as serving as a senior executive.
