## ALAN STEVENS

Assurance Partner

### EXPERIENCE

Alan has more than 24 years of assurance and audit experience serving both public and privately held companies.

Alan has extensive experience directing attestation engagements for clients, as well as coordinating the delivery of applicable financial statements and compliance reports in accordance with GAAP, SEC, Statutory, and PCAOB guidelines. Alan has experience with numerous special projects, including the performance of due diligence procedures on acquisitions and analysis of accounting systems and control procedures for start-up and existing businesses. In addition, Alan has extensive experience in assisting clients navigate complex business transactions including equity and debt offerings, acquisitions, dispositions, and restructurings. Alan leads the BDO Energy Industry practice for the Southwest region. In addition to the energy industry, his experiences include working with clients engaged in manufacturing, distribution, retail, franchising and private equity.

Alan has served as an instructor and supervisor for BDO USA's national CPE conferences. In addition, Alan participates as a reviewer in BDO USA's internal quality assurance program.
