

David Hindman, AlixPartners

David is a Managing Director with AlixPartners' Turnaround and Restructuring Services group. David has more than 20 years of experience leading business transformations particularly in energy and commodity businesses. David has served in executive leadership roles including general manager, COO, CRO and head of finance in both distressed situations and healthy, industry leaders. David holds an MBA from Harvard Business School. He currently serves on the Energy Advisory Committee of the Greater Houston Partnership and on the Rice University Engineering Board of Directors.
