## Dennis M. Ulak

Managing Director

Dennis Ulak has more than 35 years of operational and senior executive management experience in the upstream, midstream and oil field services sectors.

He leads Huron Consulting Group's Energy Vertical and has been involved in 21 oil and gas related restructuring engagements since 2015.

Prior to joining Huron, Dennis was CEO of EOG Resources' international subsidiary. During his tenure the company's valuation grew from \$180 million to \$1.1 billion and reserves increased from 431 Bcfe to 2.2 TCF. He also served as President of Selentas where he advised an array of domestic and international clients on investments, transactions and operational improvements across the energy value chain.

Dennis has a BA in Economics from the University of Illinois and a JD from Creighton University School of Law.

Representative examples of Dennis' experience include:

- Led Frostbridge Energy when it established tight oil horizontal development play in Central Basin Platform

- Interim COO of small U.S. oil and gas company emerging from Chapter 11

- Led carve out of a pipeline integrity unit from Canadian engineering firm – served as interim CEO

- Assisted a U.S. wellhead production processing services firm in its recapitalization and sale

- SVP and General Counsel of a Fortune 500 E&P company

- Interim GM at Malaysian E&P company- recruited key technical staff, orchestrated successful 3-D acquisition and obtained government approval of drilling program

- As in-house Counsel and later General Counsel at EOG Resources, Dennis handled all Gulf of Mexico (GOM) joint operating agreements, federal offshore leases, offshore lease sales, farmins, farmouts, Outer Continental Shelf and Coastal Zone Management regulatory issues and BLM regulatory issues (now BOEM)
